

BINGO - POLICY AMENDMENTS

This Bulletin is to advise all Bingo Facility Licensees and Registered Gaming Workers of **IMPORTANT AMENDMENTS** to the Commercial Bingo Handbook.

The following bingo policies are effective as of April 1, 2016:

Section 1.4 A Good Call Bingo Staff Training (Previously named Responsible Gambling Program)

- Section 1.4 has been renamed and content reorganized into a more cohesive manner that will assist Bingo Facility Licensees to better understand A Good Call Bingo Staff Training requirements.
- Subsection 1.4.11 is a **NEW** requirement for Bingo Facility Licensees. Effective immediately, Bingo Facility Licensees are required to keep a log of employees who are A Good Call certified, including the employees' names, certificate registration numbers and expiry dates. This log is subject to review by the AGLC.

Please familiarize yourself with the revised policies, update your Commercial Bingo Handbook with the amended policies as required and ensure all affected staff are notified of the new requirements.

The amended Commercial Bingo Handbook may be accessed on the AGLC website at www.aglc.ca.
